Dear Mr Dewar

FREEDOM OF INFORMATION REQUEST REFERENCE NUMBER 0331/2010

I refer to your correspondence of 15 June 2010, requesting that Strathclyde Police review its response to your request for information concerning the number of speed cameras in Carmunnock Road, Glasgow, the number of persons 'caught' speeding and the revenue generated by this.

It is my understanding that the issues you have raised are your concern that the number of persons 'caught' speeding has not been disclosed as you feel that there is a strong public interest for disclosure in light of the fact that there is a significant interest placed on public bodies to act in a transparent manner and without disclosure there is no measurable KPI for how well these cameras perform.

The review will be conducted in accordance with the Force Review Procedures and every effort will be made to have a response to you within 20 working days, however, if it becomes clear that the review will not be completed within this time you will be contacted.

I hope this is helpful, however, please feel free to contact me directly should you wish to discuss the matter further.

Yours sincerely

Susan McGinlay
Sergeant
