Dear Mr Hamill,

**Re: Central Hypoventilation Syndrome – Diagnosis and Management**

Thank you for your request for information received on 20 June 2021, which we are dealing with under the terms of the Freedom of Information Act 2000.

In order to process your request, we require further clarification to enable us to identify and locate the exact information that you need. We would ask you to clarify the following:

Can you confirm if your questions relate to the paediatric condition “congenital Central Hypoventilation syndrome”. The answer to this will affect what service will answer your questions.

Your request will be placed on hold until sufficient clarification is provided to locate the information you require. If we do not receive a response from you within 20 working days of this letter, your request will be considered to have lapsed, as under Section 1(3) of the Freedom of Information Act a public authority need not comply with a request unless any further information reasonably required to locate the information is supplied.

If you have any queries regarding this letter, please do not hesitate to contact me.

Yours sincerely

Public Liaison Officer
