Dear Dexter,

RE: Freedom of Information Act 2000 Request

I write in response to your Freedom of Information Act 2000 (or 'FoIA 2000') request dated 21-09-16. I note from your request that you seek the following information:

"Could I please request a complete copy of your CENTREX training manual which informs the way in which your police trainees are equipped to deal with conflict situations and situations that require the use of force."

Due to the sensitivity of some of the requested information, the College of Policing is considering the application of the following exemption(s) and is, therefore, currently considering the public interest factors for:

- **Section 31 Law Enforcement**

We estimate that these considerations will take an additional 20 working days. Therefore, the revised deadline is now **15-11-16**.

The College of Policing will of course keep you in informed of our progress.

Yours sincerely,

James Rose | Legal Advisor
