Dear Mr Mullaney

Amendment of Traffic Management Plan (TMP)

A revised TMP is submitted for your consideration to amend the original TMP issue 7. The purpose of the amendment is to manage obstructions along the A583 so that highway safety and free flowing movement of traffic is maintained. Specifically section 3.7.1 has been added to the TMP, now issue 8, to explain how obstructions are to be minimised.

If you have any further questions regarding the revision please do not hesitate to contact me.

Yours sincerely
