Dear BEN PLOUVIEZ

I refer to your request where you asked:

"Some photographs appearing on the Number 10 Flickr feed recently have licence conditions other than the Open Government Licence which until now has been usual. An example is at <https://www.flickr.com/photos/number10gov/49487775237> , which states "©No10 Crown Copyright" and "All Rights Reserved". I would like to see all correspondence and records of discussions relating to this change in practice; and all documents setting out current guidance or process which describe what licence conditions should be attached on publishing any photographs to this feed."

I am writing to advise you that following a search of our paper and electronic records, I have established that the information you requested is not held by the Cabinet Office.

This was human error and there has been no change in policy. The photographs should now be labelled correctly.

If you are unhappy with the service you have received in relation to your request or wish to request an internal review, you should write to:

Eirian Walsh Atkins
Cabinet Office
70 Whitehall

email: foi-team@cabinetoffice.gov.uk

You should note that the Cabinet Office will not normally accept an application for internal review if it is received more than two months after the date that the reply was issued.

If you are not content with the outcome of your internal review, you may apply directly to the Information Commissioner for a decision. Generally, the Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by Cabinet Office. The Information Commissioner can be contacted at:

The Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire

Yours sincerely
