Dear Ms Atkinson

### **Request under the Freedom of Information Act**

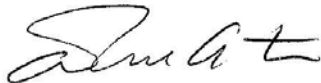

Further to your request for information dated 13 January 2016, we have made enquiries and can respond as follows:

You have asked for information about the charges made in accordance with the NHS Hospital Charging Regulations 2015, during the period from 1 January 2015 to 1 January 2016.

- 1a) The amount invoiced for overseas visitors declared during that period was £356,472.
- b) Of this you would like to know, if possible, the amount invoiced to a UK address, and the answer to that is £321,296.
2. The amount of money that was recouped by the Overseas Visitors Management Team during the same period was £47,037.

I hope that this information answers your queries.

Yours sincerely

**Caroline Curtis**  
**Legal Services and Complaints Manager**
