Dear Ms Keys,

Thank you for your Freedom of Information Request

### **Request and Response**

In the past 5 years, how many children (under age 18 years, who are UK citizens or have leave to remain in UK) were placed in county care due to one or more parents being detained by the Home Office relating to their immigration status?

**There have been no children accommodated over the last five years due to their parents being detained because of their immigration status. While we do care for children with parents in prison – there has not been a case where this has happened due to immigration issues.**

If relevant, how many of these children were reunited with parents after the parental detention  
**Not applicable**
