Subject: Re: CRM FOI 8572 Freedom of Information request - Children with detained parents [SEC=OFFICIAL]

Dear complaintsandinformation,

Thanks for your email. By county care I mean a child who is fostered or adopted or in temporary care overseen by the county/city council

Yours sincerely,

Clare Keys

-----Original Message-----

Dear Ms Keys

Thank you for your email dated 9 October 2020 where you requested information about children with detained parents

Request

In the past 5 years, how many children (under age 18 years, who are UK citizens or have leave to remain in UK) were placed in county care due to one or more parents being detained by the Home Office relating to their immigration status?

There have been no children accommodated over the last five years due to their parents being detained because of their immigration status. While we do care for children with parents in prison – there has not been a case where this has happened due to immigration issues.

If relevant, how many of these children were reunited with parents after the parental detention
Not applicable

From our preliminary assessment, it is clear that we will not be able to answer your request without further clarification.

The Council requires further information in order to identify and locate the information you have asked for. In particular, it would be useful to know what you mean by county care

Once you have clarified your request, I will be able to begin to process your request. If I do not receive clarification within three months your request will be considered to have lapsed. (Under section 1(3) of the Freedom of Information Act (FOIA), a public authority need not comply with a request unless any further information reasonably required to locate the information is supplied).

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Complaints and Access to Information Team

Email – [1][Enfield Council request email]

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

PLEASE NOTE: As most staff are working from home, please email all correspondence to us at [2][Enfield Council request email], rather than posting it, as there is likely to be delay in responding to correspondence arriving by post
