<p>What IT solutions do you currently use to manage the following Clinic's?</p> <ul style="list-style-type: none"> • Pre-Assessment • Fracture • Radiology • Oncology • Ophthalmology • Gynecology • Hematology • Neurology • Urology <p>The main Electronic Patient Record is Epic www.epic.com</p> <p>This system manages all on the above list, with the exception of ophthalmology, which is not a clinical service at UCLH. There are other systems (e.g. PACS) which sit behind Epic, but all the patient booking, administration, clinical charting and reporting is done in Epic.</p>
