Dear F Cruz

Freedom of Information Request

Further to your email dated and received by the Trust on 29th May 2020, requesting the following information:

I would like to request some information from your hospital's adult intensive care unit regarding their clinical band 6 role or senior staff nurse post. Is this job role currently being implemented in the unit? If so, may I ask for the criteria or qualifications and detailed job description that one has to possess in order to be fit for the said role? I am a senior ITU staff nurse from Cambridge, and we are investigating if this role can be implemented in our Trust as well.

Trust Response

Please find attached the requested job description and person specification.

This completes the Trust response to your request, but please note:
