Dear Mr Smyrk

**Freedom of Information Request**

Further to your Freedom of Information request, you will be aware that DVLA required additional time to consider the public interest on whether to disclose/withhold information that might be held in scope of your request.

It was intended that those considerations would have been concluded before today (24 March) but I'm afraid that the considerations are taking longer than anticipated. I apologise for not being in a position to provide you with a response as expected.

While a revised date for a response is given as 28 April, it is anticipated that the considerations will be concluded before that date.

Yours sincerely
