

Dear Mr Random

Internal Review- 3028133 - Collected Waste Data for Financial Year 2017 - 2018

I am responding to your request for an Internal Review of the above request for information. This has been considered under the Environmental Information Regulations 2004 (EIR).

Your request for an internal review is detailed below:-

I wish to point out that my request was only for the raw data and at no point did I request to be provided with any data tables. Whilst I understand that at sometime in the future the data I have requested might be used by CEC and the Environment Agency to produce a specific data table any future data table is not my concern. In my request I referred to a specific data table produced by the Environment Agency in order that Cheshire East Council would be crystal clear on the definitions for the information that I require.

All completed waste data sets are publically available though DEFRA's waste data flow system.

If you are not content with the outcome of this internal review, you then have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF; Tel: 0303 123 1113; Fax: 01625 524510 or <https://ico.org.uk> The Information Commissioner will not normally investigate your case until the Council's internal review process has been completed.

Yours sincerely
Helen Sweeney
Senior Compliance and Customer Relations Officer
Cheshire East Council
