Subject:13/00682 Wind turbine at Wigsley

Attachments:Wigsley Ref 13-00682-FUL Wind turbine Land at Wigsley Old Airfield
19.06.2013.doc

Dear Andrew,

Please find attached the comments of Notts Wildlife Trust in respect of the wind turbine proposed at Wigsley.

Whilst not objecting to the application, NWT seem to suggest one of two approaches in respect of birds and I wanted to give you the opportunity to decide which route you'd prefer to go down. Please can you advise me which approach you would like to follow.

Kind regards

Ailsa
