Alex

Thanks for this

Just to confirm on behalf of the College

- 1) I confirm that the proceeds of the sale will be utilised by the College to further its educational objectives and strategic plan. This could entail either or both capital and recurrent spending to improve the College's facilities and quality of provision
- 2) Yes we agree best not to hoard the land; we will keep the grass cut

I trust this is satisfactory

Please contact me if you have any further queries

Thanks

Regards

Peter

Hi Margaret,

Hope you are good?

In order to assist with our audit requirements and proceeding with planning once completion occurs could you assist with the following requests?

1. Could you send a statement that outlines the Colleges position in regards to the proceeds of the sale – we are of the understanding that they will be used for educational improvements?
2. Can the College agree to continue maintaining the area post completion in terms of cutting grass? We are of the opinion that it would serve both parties that the site is not to be hoarded and gated as this will generate interest from fly tippers etc and also complicate the diversion works. Is this acceptable?

Any news on acceptance of the legal docs also?

Many Thanks
