FYI

Bob - had the grass cut today also and site looks better. Our contractors will be re-seeding etc when we have completed the diversion works.

You are welcome.

Thanks for the confirmation. Appreciate it.

Regards

Margaret

Regrettably the contractors cannot cut it back any further as the growth is between the house line and the boundary fence on your property. There is an inner bamboo fence line also which they did not want to disturb. If you are home can you please check that we have responded to your request to your satisfaction?
