Dear Mr Innes

FREEDOM OF INFORMATION REQUEST 5304
Communication : Mossmorran Flaring

Thank you for your Freedom of Information Request which we received on 8 May 2017.

Question

Please can you send any information sent between GPs, Health Professionals and representatives of NHS Fife about the impacts of Flaring at the Mossmorran complex.

In particular, any information sent to these parties between 2016 until today's date about increased demand for NHS Services or treatment, any warnings issued about possible issues with long term illnesses sufferers and the effects of flaring on the local communities.

Response

Please find attached copy of a letter which was sent from NHS Fife's Public Health Department to GPs informing them of the possibility of increased attendance at GP practices and inviting them to make contact should they require further information. I hope this information is helpful to you. Please do not hesitate to contact me on 01592 643355 ext 27998 or email fife-uhb.foirequestfife@nhs.net if we can be of further assistance.

If, however, you are unhappy with any aspect of how we have dealt with your request you can ask us to review the handling of your request. Please write to me specifying the reasons why you are seeking a review within 40 working days of the date of this correspondence. I shall arrange for a review to be carried out and a report made to the Chief Executive of NHS Fife who will respond to your request for a review.

You also have the right to apply to the Scottish Information Commissioner after the immediate response from us or after our response to your request for a review but you have to do so within 6 months of our reply.
