Dear Mr Hobson,

Re: FOI 270

Thank you for your email, received by the Greater Manchester Combined Authority (GMCA) on 30 August requesting an internal review into our response to your original email received on 30 July requesting information under the Freedom of Information Act (2000).

You stated in your request for an internal review that *a review would seem to be the appropriate action if you refuse to un-redact information relating to the name of the individual who made the change on the 20th July to whatever form of extremism was really involved to 'anti-fracking'*.

I have now had the opportunity to review all the correspondence and information relating to FOI 270 and I confirm that I am satisfied that the application of exemption of 40(2) personal data, in this case was done so correctly in accordance with the Freedom of Information Act (2000).

If you are not content with the outcome of the internal review, you have the right to complain to the Information Commissioner.

The Information Commissioner can be contacted at:

Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow

SK9 5AF

Please remember to quote the reference number above in any future communications.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'J. Connor'.
