## **Your request and our response:**

*Please could you release all communications: emails and minutes regarding the changing of the former Upper Norwood Housing Office into a community facility, such as a community centre for the residents or wider public use, including the Rathbone Society?*

Please find attached.

Please note redactions have been made to remove personal data as we consider disclosure would breach the Data Protection Act 2018 and therefore engage Section 40(2): Personal Data to this request.

The definition of personal data is set out in provision 3 of the Data Protection Act 2018 as follows:-

*(2)“Personal data” means any information relating to an identified or identifiable living individual*

*(3)“Identifiable living individual” means a living individual who can be identified, directly or indirectly, in particular by reference to—*

*(a)an identifier such as a name, an identification number, location data or an online identifier, or*

*(b)one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of the individual.*

We note this request asks for information which would allow an individual(s) to be identified.

I have considered whether it would be fair to disclose the information including whether disclosure would cause any unnecessary or unjustified damage or distress to the individual concerned; the individual's reasonable expectations of what would happen to their information; and balancing the rights and freedoms of the data subject with legitimate interests.

In this case, I can confirm that it would not be fair to the individuals to disclose information as it could cause distress to the individuals.

I do not consider that the individuals would expect the Council to disclose any information which may allow them to be identified. Although I acknowledge the legitimate interest in disclosing general information relating to your request, I do not consider the legitimate interest overrides the rights and freedoms of the individual on this occasion.
