Our meeting on Monday with [REDACTED] is likely to be cancelled. Any chance you and I can meet up to discuss High Limes?

I am interested in the potential to use it as a Meanwhile space whilst it awaits demolition.

Hi [REDACTED]

Regarding the above, I have discussed the position with [REDACTED] and there are no plans to let the premises to any organisation. The building is no longer fit for purpose and the tenants association has been informed of the situation. The Norwood Resource Centre at High Limes is being exclusively used by housing staff who vacated the former office space. I understand that you are meeting with [REDACTED] on Monday and no doubt [REDACTED] will be able to fill you in with things.

Regards,
