Subject: FW: Aberdeen harbour expansion project - timetable for comments on revised CEMD

Mike/Rania,

I have just had Craig from Dragados on the line asking about the revised timing for approval. As SNH will not be replying until 27/4 we have agreed that the earliest date for approval would be 5 May. Please let me know if you think that is not achievable subject to consultee responses being positive of course.

Subject: Aberdeen harbour expansion project - timetable for comments on revised CEMD

Dear Val,

As you will know, issue of the revised CEMD has been delayed. I understand from ARUP that it is now likely to be sent to ourselves and the other consultees either later this week or early next week, with a response required by the 21st April.

Unfortunately, due to staff availability we are unable to meet the revised timetable. We intend to provide you with comments on the revised CEMD by 27th April. This will depend upon when we receive the revised CEMD and the issues that we raised in our letter of 27th March being addressed to our satisfaction. If there are outstanding matters, these could take additional time to resolve.

I hope that this is suitable.

Kind regards,

Sue
