Subject: Aberdeen Harbour Expansion Project - Submission of Revised CEMD

Hello

A quick update on the progress of the CEMD. Thank you for those who have sent us comments. We have now been through all the comments received to date and updated the plans. We are awaiting comments from a couple of organisations and Transport Scotland have given till Tuesday 4th April for these to be supplied. This has delayed issuing of the updated CEMD until Wednesday or Thursday next week (5th or 6th of April).

As per Nichelle's email earlier in the week we will be distributing to everyone on a USB unless you have notified us you want a CD.

Have a nice weekend.

Best wishes

Zoe
