Hello Zoe,  
Would it be possible to meet (virtually) and discuss the plans for implementation of the Barn Park ponds?  
We've continued to meet and liaise with the Friends of Central Park to allay their concerns, [REDACTED]

[REDACTED]

Finally, I've had quite a lot of correspondence regarding the implementation of the consultation of the proposed changes to dogs on leads areas for Central Park. While there are opinions on one side or another, I think there are some lessons to be learnt on the presentation of the consultation and plans that both sides could agree on.

I'd welcome your thoughts on these matters.

Warmest regards.

Jeremy
