Good afternoon [REDACTED],

Following our discussion moments ago, please find attached the Application Form as downloaded from the Planning Portal site.

I do not have options for obtaining a redacted version.

In regards to the documents as reviewed by [REDACTED] and deemed acceptable – we have not made any further changes. Changes have been made to some of the file names but not to any content.

Please let me know if there is anything further I can assist with.

Kind regards

Good Afternoon [REDACTED]

I'm experiencing problems transferring over the documents from the Portal to our system. To save time, could you email me copies of just those Tranche B documents not seen and deemed to be acceptable by [REDACTED], as per your email exchange below please. I assume these documents will not have changed but if they have, please send by email. Please also email the application form, redacted and non redacted.

Many thanks

Kind Regards
