Dear Arthur

Freedom of Information Act 2000 – Request for Information

We are pleased to respond to your request for information and our response is set out below.

Request

Please could you provide information on the below:

Does your CCG commission a community VTE clinic?

In the last 12 months how many patients have been treated at the clinic?

How many patients have been treated with a DOAC within the clinic?

Of these patients how many were treated with:

- Xarelto
- Lixiana
- Pradaxa
- Eliquis

Response

The CCG do not hold this information. VTE in the community are managed by our GPs in regular surgeries so we would be unable to determine the relative prescribing of those drugs for VTE and that for other conditions.

Please remember to check our Publication Scheme before deciding to make a Freedom of Information request. Our publication scheme can be found on our website:
