Dear Mr Malcolm

**Freedom of Information Act 2000/ Environmental Information Regulations
2004- Information request**

We have now considered your request for information as set out below.

You asked:

Could you please provide a list, itemised by ward, of council-owned buildings which offer rented accommodation to community groups. Please include contact details, rental rates if applicable would be most helpful.

Answer:

I have listed below all the properties which are owned by the council and have accommodation that is rented to community groups. The first six are leased to the individual community associations and so I do not have their rental rates as they manage any hiring. The remainder are directly managed by the council and so I am able to attach a schedule confirming their rates plus contact details.
