

NHS Tayside has now considered your request dated 29 August 2018.

Extract from Request

"We would be grateful if you could provide:

- a) the number of Community Mental Health Teams operating in the Health Board's jurisdiction
- b) the name of each Community Mental Health Team and the geographical location each serves
- c) the names of all Community Mental Health teams that have an embedded Individual Placement and Support worker(s) within the team?
- d) where there is an Individual Placement and Support worker(s) embedded within the team, the name of the organisation providing this service, or whether this is directly provided by NHS staff"

Clarification – 05/09/18

"Individual Placement and Support (IPS) is a type of supported employment programme that supports people with severe and enduring mental health problems to get into and sustain paid employment. IPS services are co-located within Community Mental Health Teams. By embedded we mean co-located within Community Mental Health Teams."
