Dear E Moore,

Thank you for your request for information.

Your Request & Our Response

| Do the authority still use paper versions of the red book and green book for community midwifery and home health visiting? | I can confirm our Trust does use a paper version of both the red and the green book although the green book is paper light as we have now implemented an electronic version. |
| Do the authority use any electronic versions of the red book or green book? | We do not have an electronic version of the red book. We do have an electronic version of the green book. |
| If so which products do they use and how much did they spend on this software in each of the last three financial years? | We use the Wellbeing maternity system (previously known as Euroking maternity system). Expenditure (maintenance and development) <ul style="list-style-type: none"> • 2016/17 = £36450 • 2017/18 = £31680 • 2018/19 = £37696 |
