I am horrified at this mural which has appeared on Hanbury Street.

It bears an awful similarity to anti semitic propaganda produced in pre-war Germany.

As well as the anti Jewish overtones, there is even the quasi Masonic (and dollar bill) aspect to encourage conspiracy theory.

What will be done about the person or persons who has produced this and when will it be removed?

The fact it has appeared over Rosh Hoshanah/Yom Kippur gives added menace

Many thanks

(Cllr) Peter Golds

Steve - do we have a line on this one. Can we remove as graffiti? There do seem to be clear cohesion issues.

Hi Steve – you'll see this is hotting up. There do seem to be clear cohesion issues, and looks like we may get press enquiries too. **Thir** has copied in the CCCPTMG so I will need to get back to them at some point with our intended response.

Thanks

Louise
