Dear

**RE: OIL AND GAS AUTHORITY RE-COMPLETION CONSENT APPLICATION
WONS/11757/0/RC/1 Version 1 APPROVAL FOR WELL LR/24-X4Z UNDER
LICENCE PL235 ('Licence')**

With reference to your application number WONS/11757/0/RC/1 Version 1 dated 19th March 2019 ('Application'). The Oil and Gas Authority gives its approval pursuant to Clause 22(3) of the subject Licence (PL235) to carry out Completion Work (as defined in Clause 22(3)) in accordance with the **programme of Completion Work** as contained in your letter '*Subject: Brockham - Summary of completion work*', dated 26th March 2019 submitted in support of the Application in respect of the LANDWARD well with designated OGA Well Registration Number: LR/24-X4Z (the '**Approval**').

The Approval is given subject to the condition that the Licensee shall notify the Oil and Gas Authority at the earliest opportunity of the commencement of the Completion Work and again on the completion of the Completion Work.

This approval shall remain in force for a period of one year, commencing on the date above.

A separate application for consents or approvals, as set out in the Licence and relevant legislation, is required for any activity, including hydraulic fracturing, not specifically covered by this approval. We further remind you of the jurisdiction of other regulators in relation to the proposed operations and that it is the Licensee's responsibility to ensure compliance with all relevant statutory requirements.

Yours faithfully
