19 November 2019

Dear Sam Carlson,

Your request was received on 23 October 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

May I request that you provide the following for the Computer Science G400 course in the 2019/2020 application Cycle:

- *The number of applicants who applied to each college.*
- *The total number of applicants doing Further Maths A-Level.*

The information you have requested is not held in full as the applications cycle is ongoing.

In any event, information to answer your first question is due for future publication on the University's website in <https://www.undergraduate.study.cam.ac.uk/apply/statistics> and is therefore exempt under section 22(1) of the Act. As this is a qualified exemption, the University has considered whether, in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information. The University considers that, while there is an understandable general interest in applications, the extensive publication arrangements that are in place are sufficient to meet that interest.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints
