Notes	Apply/Entry Years	<p>Apply Year - figures are grouped by UCAS application year. The 2021 application year ran from applications opening in September 2020 to Confirmation in August 2021.</p> <p>Entry Year - figures grouped by entry year includes standard entry applications from the 2020 application round and deferred entry applications from the 2018/2019 rounds.</p>
	Application Identifier	Applicant information has been anonymized, with each applicant assigned a dummy application identifier.
	Course Changes	Please note that some applicants move between courses during the admissions round.
	Acceptances	The figures included reflect the number of accepted applicants i.e. applicants who have no outstanding offer conditions and have accepted Cambridge as their Firm choice institution via UCAS. Subsequent withdrawals are not taken into account and so these figures may differ slightly from actual entrant numbers.
	Declared Qualifications	Qualification information is declared by applicants through their UCAS application, and is not verified at the point of application.
	Awarding Body Qualifications	Qualification information is based on verified results received from the relevant awarding body.
