Womans Aid

10 April 2020

Dear SJ Kerr,

Thank you for your request of 11 March 2020 for a review of our response to your request under the
Freedom of Information (Scotland) Act 2002 (FOISA) for the following information:

"the total amount of funding supplied to Woman's Aid from 1st April 2014 until present date? Please
break this down year on year?"

"the conditions of funding, which stipulate the exact criteria that is required from Womans Aid
appertaining to each payment from the public purse?"

"a list of frontline services and other organisations that have received training from Woman's Aid since
1st April 2014, please break this down year on year until present date."

"what professional standards and quality assurance reporting is required to comply with the quality of
training, this is to ensure the you are provided VfM whilst not cutting back on Quality."

I have been asked by Stephen Gallagher, Director of Local Government and Communities to carry out
the review because I was not involved in handling your original request. I will be looking at the case
afresh to establish whether the original response should be confirmed, with or without modifications as
appropriate, or a fresh decision should be substituted.
