Request:

Please could you provide information on the decision to grant planning consent for application 17/01576/FUL, the Police Hut in Tynemouth

Interested to see any declaration of a "conflict of interest" with regards to the applicant and any council officers or elected members involved.

I would also be keen to understand whether this information is held on those that did not have a direct involvement in the decision making process however hold a position of influence i.e. such as the Elected Mayor.

Response:

The minutes of the meeting confirm that no member reported any declaration of interest in the application.

No other information is held.
