Dear Ms McCoy

Thank you for your request for information under the Freedom of Information Act which was received on 13 July 2009. I can confirm that we do not hold the information you have requested. You asked the following questions, reproduced in **bold** below:

Please could you let me know the contact details for your Estates Director and whether there is an approved list of consultants for building control services that the Estates Department uses. If so, how does one apply to be on that list?

NEAS's organisational structure does not include an Estates Director and it does not maintain a list of Building Control Consultants. Traditionally the Trust uses local authority building control services. Our Director of Finance & Performance, Mr R D French, is responsible for the Trust's estate issues and he can be contacted via this HQ (details as per letterhead).

If you are not satisfied with the information we have provided, you can request an internal review which will be carried out by someone not involved with your original request. Mr George Marley is the Trust's Clinical Development Manager, his contact details are:

George Marley
