Your request will now be considered in accordance with the Freedom of Information Act 2000 (the Act). We aim to provide a response within the statutory timescale of 20 working days as defined by the Act. The deadline date for your request is 23/08/2021

During the first part of the national lockdown last year our staff were prevented access to our offices to conduct essential work that could not be carried out remotely, this caused a large amount of backlog and even though lockdown restrictions have eased in more recent times we are still affected by the various restrictions that were in place during the majority of 2020. We do now have a limited number of staff able to attend our offices and it will take time for us to resume our normal service.

Please be reassured that the vast majority of work is carried out unhindered, but due to current circumstances some delays may be unavoidable. The MPS take your rights under data protection regulations very seriously and every effort will be made to ensure a response is provided within statutory deadlines. We apologise for any inconvenience and will endeavour to process your request as quickly as is practicable.

If you have any further enquiries concerning this matter, please contact us at foi@met.police.uk, quoting the reference number above. Should your enquiry relate to the logging or allocations process we will be able to assist you directly and where your enquiry relates to other matters (such as the status of the request) we will be able to pass on a message and/or advise you of the relevant contact details.

Yours sincerely

Data Office Triage Team
