Dear Mr Cooper

FOI request 08/0458

I am writing regarding your request for information, which was received on 24 July 2008 regarding contact and communication between BT, Phorm and BERR.

I would be grateful if you would clarify the information you require. For instance, are your first three questions referring to general advertising or behavioural targeted advertising? In addition, it would also assist us if you could clarify the date range this request refers to.

Once we have received this confirmation from you, we will be able to consider your request further.

If you would like to discuss this further, then please do contact me on the number shown below.

Yours sincerely
