Dear Sirs,

We would be very interested to hear more about this proposal, particularly for retired people like us who travel to London a lot from our local station Worcester Park but due to a 'quirk of fate' are not eligible for the Freedom Pass.

The quirk of fate? [REDACTED] from Worcester Park station, [REDACTED] but we are in the Surrey borough of Epsom and Ewell and not in either of the London boroughs of Kingston Upon Thames or Sutton. Hence we are disadvantaged to a huge degree!

Kind regards
