Subject: TfL's plans for commuter railways
Date: 01 February 2016 12:14:28

[REDACTED]
[REDACTED] Your plans to expand control over commuter lines are of particular interest to the members who all have an interest in all things railways. Our members include both retired and active railwaymen (some to a very senior level) and others such as engineers who have railway experience.

If this email should have been addressed to another department in TfL could you please forward it to them and let me know who I should have sent this to.

Many Thanks in advance
