Mark,

I hope you are well. How did the report get received by your board/stakeholders? Is there anything further you would like our/my advice/support with?

I've kept my ear to the ground on people who might be able to help and spoke again with [REDACTED] last night. He was the guy who used to work for me and went to [REDACTED] to help their programme. That didn't work out and he's looking for work. He's also the guy that [REDACTED] the CV I sent through, used to work for.

I think if you are still looking for someone it would be worth talking with him.

I've attached his CV if it's of interest.

Please give me a call if I can be of further help.

Regards,
