Subject: Programme Managers

Mark/Peter,

I'm afraid [REDACTED] has just taken a new contract with [REDACTED]. He's going to be helping [REDACTED] fix their UNIT4 implementation.

I've got calls set-up on Monday with two other programme managers. One is [REDACTED] who has been working at [REDACTED] and another I've not worked with before.

Are you happy for me to speak with them?

Let me know.

Regards,
[REDACTED]
