Mark,

Thank you so much for taking the trouble to meet me on Tuesday. I didn't realise how big LGSS has become. You and John are clearly running a tight ship. No more compliments or you will place me in the 'Sycophantic weasel' box.

I have attached the profiles of two Caja associates who would be ideal to solve the issues you are facing. Both have delivered big, ugly complex projects and have a track record of delivery - on budget, on time.

Let me know if you wish to speak with them

Regards

Jason
