Subject: Re: Our meeting on Tuesday 24th Oct - CVs for Programme manager role

Dear Mark,

Absolutely no problem in organising client references /testimonials.

As discussed previously Mark's rate is [REDACTED] day depending on the role, scope of the job, risk profile etc., length of contract etc. Also do you consider the piece of work to be inside or outside IR35?

I suggest we will both be in a better position to discuss this after Thursday - you will know whether you like him - he will know whether the opportunity is right for him/Caja.

Regards
