

# Consultation Questionnaire

1252

## Do you want a controlled parking zone in your road?

Whether you live or have a business in the area, use a car, walk, cycle or use public transport, your views are important.

### If you want us to take account of your views, please fill in this questionnaire.

If you are responding on behalf of a business, please write your business name here.

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Postcode: \_\_\_\_\_

**IMPORTANT** – Please ensure that you provide these details so that your response can be analysed against your street.

### 1 Do you want the proposed CPZ to cover your street?

☐

Yes

☐

No

### 2 What do you think is the main cause of the parking pressure in your area?

Please specify below:

☐

Commuters

☐

Shopping Centre/High Street

☐

School/College etc

☐

Business/Industrial Centre

☐

Other (please specify) \_\_\_\_\_

From your response, we will be able to determine the most effective operating times for the CPZ. For example, if the main cause of parking pressure is commuters, it may be that a 2-hour operation is sufficient, whereas being in close proximity to a shopping centre may require a CPZ that operates all day. It is Council policy to introduce the minimum hours necessary to deal with major parking problems.

Remember, you will need to display a permit if you park on the street for the times that any controlled parking zone may operate. You will also need to give your visitors "visitors' vouchers" if they park on the street during this period.

### 3 If you have a driveway, would you prefer a white line or a yellow line?

☐

Yellow line (Option A)

☐

White line (Option B)

### 4 Do you have any further comments? (for example, on existing parking restrictions in the area, changes to current restrictions, operating times, special business needs and so on)

  
  
  

Ealing Council will use the information you have provided as part of this public consultation to help us understand your concerns in order that we can plan and develop a service that meets the needs of the community. Reports or plans produced from this consultation will not disclose any personal information.
