POINT OF WORK RISK ASSESSMENT ARBORICULTURE

GUIDANCE WHEN ENCOUNTERING PROTESTORS DURING WORKS:

Should protestors attempt to prevent or interfere with any works, the arb operatives shall safely stop any activity and contact their designated supervisor / manager, regarding how to proceed. Under no circumstances should Amey staff or members of the public be put at risk.

Amey staff should remain polite at all times. Amey close call number (0800 521 660)

If required and authorised by the work team supervisor contact the police as a 'Non-Emergency' by phoning 101.

Use the Ocr reporting system (0800 116 4743) should a protest incident occur no matter how minor.

Detail any protestor incidents and resulting actions here: (Including times)

Detail any changes to agreed work method due to unforeseeable circumstance: (Re-brief work Staff as required)
