To: Ian Berry - Planning
Subject: App 18/00119/FUL Land South of Grove Street Ashton-under-Lyne - Ecology Response

Dear Ian Berry

I have no objections to the above planning application on ecological grounds, although I would **recommend** that no tree felling or vegetation removal required to facilitate the scheme takes place during the optimum period for bird nesting (March to July inclusive).

All nesting birds their eggs and young are specially protected under the terms of the Wildlife and Countryside Act 1981 (as amended).

Yours sincerely
