[REDACTED]

Peter Taylor, Head of Planning, forwarded me your request that the above planning application be referred to Speakers Panel (Planning) for determination.

I acknowledge receipt of this request and I have advised the case officer (Ian Berry) and will ask that he informs you once he knows which meeting it will be sent to.

Kind regards,

Martyn.

Please see below.

[REDACTED] have contacted me regarding this application. There are a great many local objections, which I am sure that you will be receiving shortly. This is a very contentious piece of land, which last year, there were protests and objections to its sale by the council.

I therefore think that it needs to go to Speakers Panel, so that residents understand the process by which it will be considered and where they will be able to have their views put forward.

I have advised them to make their views known and that only planning based objections can be considered - not representation about its former use by residents and children.

Regards

Thank you

I would like it to go to Speakers Panel. Please advise when that will be.

Please ask the planner to give me a call on Monday.
