Opposition to planning:

[REDACTED] comments submitted regarding this application.

[REDACTED] I now request that I am given the opportunity on speaking on behalf of these residents at the date allocated by the planning panel, in which to hear the views of both sides.

I would be obliged to receive information, in advance of my appearance, as to time date location and what documentary documents I may produce in evidence to substantiate my objections or repudiate the applicants planning application. I understand that I will be allocated a five minute slot to hear my objection evidence.
