Comments On The Proposal...

Please enter details...The site entrance will make the junction with Grovewood Close a dangerous one as there will be confusion over right of way. Also the extension to Grove Street will mean that it could be used as a short cut with cars being able to gain access to Lindisfarne Road.

We would also ask that tree numbers T24,T25,T26,T27 and T28 should be removed as they are very close to our property, encroach into our land and block out light. They are also damaging the rear wall.
