Comments On The Proposal...

Wish to object to the 3rd planning consultation [REDACTED]
If you leave the road
open it will def turn into a rat run it will get all the traffic from over the
moss estate cutting through we
have lots of children in the area it's a danger to them they are use to living
in a cul de sac the road will
not be wide enough for 2 cars to pass it will be a nightmare plus it will be
crossing 2 public footpaths we
are a close-nit community and the back field as always been a part of the
community children play on
there dog walkers walk on there it's a lovely piece of green land If you take it
away where can they play
Not on Richmond street playing fields that eventually is going to be built on
also we object absolutely
about these houses being built For once think about the community not the profit
Thank you [REDACTED]
