Comments On The Proposal...

I would like to object to this planning application. This area of land was dedicated as public open space when the housing estate was built, we have lived here since the estate was built and my children and Grandchildren have always enjoyed use of this area for sports and recreation. I understand that the council sold off this land which I believe was wrongly sold unaware that it was dedicated green space. I believe that this land should be bought back by the council and maintained as public open space.
